LEADERSHIP DIRECTORY® ONLINE

from the makers of the **News Media Yellow Book**

Perfect for pitching stories and creating media buzz

This new, interactive database provides advanced intelligence for your media campaigns. Whether you're an association or a government office, a consulting firm or a PR agency, a public company or a private foundation - the *News Media Leadership Directory® Online* will give you access to:

- **Over 34,000 reporters, editors, and staff** included
- **Explore by Beat** to interactively find journalists by the issues they cover: Congress, the Federal government, health, housing, the economy, immigration, and much more.
- **Explore by Media Outlet** to browse through the major media outlets and find comprehensive profiles for each organization
- **Pitching notes from journalists** – in their own words, reporters and editors share tips on what you should do (and not do) when pitching a story
- **10% more journalists (3,500)** in the online edition than the *News Media Yellow Book*, including expanded coverage of bloggers, online journalists, and editors and reporters working in regional bureaus and on local editions
- **Over 30,000 e-mail addresses**, including more than 10,000 newly collected e-mail addresses that are not included in the *News Media Yellow Book*
- **A fast keyword search** that allows you to quickly find a specific journalist or organization (Plus, you can filter your search by more specific criteria such as location, career history, and biographical information in the Build a List or various Quick Search screens)
- **500 vCard downloads**
- **Add Notes** to individuals and add media organizations to a personal favorites list
- **Contact us today** to get a quick “how-to” demo and request a free one week trial of the *News Media Leadership Directory® Online*
