

News Release

Leadership Networks™ Selected as a 2008 CODiE Awards Finalist by Software & Information Industry Association (SIIA)

For Immediate Release

Leadership Directories is proud to announce Leadership Networks™ has been chosen by the SIIA as a 2008 CODiE Awards Finalist in the Best Online Directory & Business Leads Service Category

New York, NY (Leadership Directories, Inc.) February 12, 2008 – Leadership Directories (LDI) is proud to announce that Leadership Networks™, has been chosen by the Software Industry Information Association (SIIA) as a finalist in the 2008 CODiE Awards within the Best Online Directory & Business Leads Service category.

The CODiE Awards celebrate achievement and vision in software, education technology and digital content. For 23 years, SIIA's CODiE Awards have been the leading honor for the software and information industry's finest products and services, known as "The Standard Bearer for Celebrating Outstanding Achievement and Vision". The CODiE Awards judges work to identify the "best-of-the-best" from thousands of nominees. The Best Online Directory & Business Leads Service category awards the leading online service for comprehensiveness and usability in providing directory and/or business lead data.

"Competition is tough this year and that makes selection as a CODiE Finalist a real achievement," said Ken Wash, SIIA president. "All the companies on this year's list should feel justifiably proud of their recognition."

Leadership Networks™ is an interactive networking resource that provides a visually compelling, 360° view of extended professional networks throughout the public and private sectors. Leadership Networks™ is powered by the Leadership Library® database of up-to-date contact and professional information and displays connections based on current positions, board memberships, career and educational background, family relationships, and social, civic or religious group memberships. Users can map paths between individuals as well as from individuals to organizations, and from organizations to organizations in order to understand how public and private sector organizations are linked through key people.

About Leadership Directories, Inc.

Leadership Directories (LDI) is a leading provider of premium contact solutions, covering the public and private sectors. LDI maintains a rich database of biographical and contact information for professionals in the public and private sectors. LDI content is available online, as data feeds, as lists, on demand, in print, or as custom solutions.
