### **Leadership Directories Releases Fall Edition of Congressional Yellow Book New directory updates contact information for Congressional members and staffers**

New York, NY (Leadership Directories, Inc.) September 26, 2007 – Leadership Directories announces the release of the Fall 2007 Edition of the Congressional Yellow Book, a quarterly directory of Members of Congress and the key staff members who support them.

The updated edition of the Congressional Yellow Book includes expanded contact information for all elected officials on Capitol Hill, as well as contact information for over 10,000 legislative aides, committee staffers, policy advisors, and individuals at Congressional support agencies.

“This summer has seen interesting developments in the Senate and House,” says Congressional Yellow Book Editor Ericka Claflin. “We’re tracking new committee assignments almost every week - like Tennessee’s Bob Corker joining the Senate Armed Services Committee, and Ohio’s Betty Sutton on the Judiciary. With retirement announcements, resignations, and shifting legislative priorities on the horizon, we’re only going to see more shuffling as we head into 2008.”

Congressional Yellow Book listings provide names, titles, mailing addresses, direct-dial phone numbers, fax numbers, and emails. The directory also includes a thorough biographical appendix, committee and subcommittee listings, a listing of ZIP codes by Congressional districts, state delegations and district maps, and other related reference material.
