

## Congressional Leadership List®

who's who in congress, including committees and key staff

The Congressional Leadership List® provides direct access by mail, telephone, and fax to all members of the U.S. Congress and over 14,000 of their staff, including those in state, district offices, and campaign headquarters as well as party groups, informal caucuses, and congressional support agencies.

The Congressional Leadership List® is updated quarterly with information from each newly published edition of the *Congressional Yellow Book*. Leadership Directories' editorial staff verifies all information in all listings in the Congressional Yellow Book directly with each organization listed, prior to publication of each quarterly edition.

The Congressional Leadership List® offers a wide range of selections to help you target your mailing or marketing campaign. Consultation with our account executives will help you to select only the names you need.

### The Leadership Lists® Guarantee

We guarantee that the information in our lists is current and accurate, and that the addresses are deliverable up to the date that the list is updated. We will reimburse mailers for postage on returns upon receipt of cancelled mail.
