

Welcome to The Leadership Library® on the Internet

Leadership Directories, Inc. is pleased to announce the launch of the new, upgraded version of its premium online research and contact tool, *The Leadership Library® on the Internet*.

Beginning on August 2, the upgraded version of the *The Leadership Library® on the Internet* will be operating in a beta test mode for at least four months, during which time both the old version and the upgraded version of *The Leadership Library® on the Internet* will be available to subscribers. Upgrades will continue during this time period, and we invite all of our subscribers, new and existing, to register to participate in the beta test of the upgraded version. Beta test participants have the unique opportunity to assess the new features of the site and submit their comments and suggestions while development is still in progress. Subscriber feedback was the basis of many of the new features of *The Leadership Library® on the Internet*, and we value continued communication with our subscribers as we finalize the functionality of this important upgrade.

Log In

When **logging in** to *The Leadership Library® on the Internet*, subscribers have the option to use the old site or the upgraded version.

Use these links on the log in page to access the form to register to participate in the beta test of the upgraded version of *The Leadership Library® on the Internet*, to access educational materials about the new features, and to access the form to sign up for a free training session.

If you would like to schedule a free training session to learn more about the new features of the upgraded version of *The Leadership Library® on the Internet*, please [click here](#).

Done Internet

Main Page

After logging in to *The Leadership Library® on the Internet*, most users will be brought to the **main page**.

Existing users who have customized their starting screen to begin their sessions in Browse or Advanced Search will still begin there. Subscribers who formerly began in Quick Search will begin on the new main page.

Users can always click on the dome logo or "*The Leadership Library® on the Internet*" to return to the **main page**.

The **main menu** of *The Leadership Library® on the Internet* is always present at the top of your screen. From here, you can access all modes of *The Leadership Library® on the Internet*: LLOI Search, Browse, Advanced Search, Popular Searches, Build a List, and My Leadership Library.

The **main page** provides a quick description of, and access to, all of the modes of *The Leadership Library® on the Internet*.
